Dear DUYA Parents and families,

Dynasty's United Youth Association (DUYA) is excited to start a new school year with new and returning students. DUYA is pleased to present two new initiatives to enhance DUYA's current services. First, DUYA will be partnering with an online database program called OasesOnline. Oases provides data through the performance of pre-and post-tests allowing parents, students, and staff to see the students' academic progress/growth. These assessments help us create targeted educational goals for each student based on their current level and needs.

OasesOnline provides:

- Pre Achievement test
- Post Achievement test
- Weekly Quizzes
- Daily & Weekly Progress reports
- Individual personalized learning plans
- Access to student portal with a parent/ guardian login
- Tutor + Teacher + Parent communication

Additionally, we will be making changes to our current membership model for DUYA's Virtual Learning Program Services, which will go into **effect as of Monday, August 23, 2021:**
